

YX600

TRACKED DUMPER

Compact. Simple controls. Built for tight spaces.

Built for reliability and ease of use, this compact tracked machine is powered by a dependable Honda petrol engine for consistent performance. Its high-tip skip, reaching 2720mm, makes loading into skips and trailers effortless, while rubber tracks provide stability across varied terrain.

Simple lever controls and an operator platform ensure ease of operation, and with a 600kg load capacity in a lightweight, compact design, it's ideal for working in tight spaces, backed by our UK & Irish parts & support network.

KEY FEATURES

- Honda petrol engine
- High tip skip - max tip height 2720mm
- Rubber tracks
- Lever controls
- Operator step/platform
- Rated load capacity: 600kg
- Machine weight: 590kg
- Dimensions: L: 1645mm W: 700mm H:1115mm
